## Incredible Trustees Information Pack

# Welcome!

Our aim here at Incredible Kids is to offer a safe, friendly and welcoming environment for families of children with additional needs. Based in Bristol we support families from across the South West.

We hope this pack will answer any questions you have about Incredible Kids and becoming a trustee.

We are a family-led grassroots charity set up overnight by a group of parents in 2012 after being saddened at the loss of their specialist play facility.

Today we welcome over 6000 visitors a year and are a lifeline for the local community. Born out of a need for companionship and support and held together with love and compassion.

# What we do

Incredible Kids provides play and support sessions for disabled children and young people and their families. Our aim is to create an inclusive and welcoming space where disabled young people aged 0-25, their siblings, and parent carers can come together to experience acceptance, mutual support, and a sense of belonging.

We support the whole family which includes direct play work by trained playworkers to engage children in fun and meaningful play. Parents and carers are supported with a listening ear and information on how to access other services. Incredible Kids is a Christian run charity, all trustees are Christian and our service is open to all regardless of faith.

## Our Aims

**Reduce social isolation** for children and young people with additional needs, their siblings and parent/carers.

**Increase wellbeing** of children and young people with additional needs, their siblings and their parent carers.

**Support child development** through our play workers who enable children and young people with additional needs to engage in meaningful play

**Increase knowledge and resilience** of parent carers in their ability to parent and to access services for their children and young people

## Our Activities

Our core service is for all ages and additional needs together. Alongside this we have Incredible Teens, Incredible Girls, Incredible Pathological Demand Avoidance, Incredible Under 8s, Incredible New Family's.
